# GAOKAO ENTRY REQUIREMENTS

For 2021/2022 Intake

[adelaide.edu.au](http://adelaide.edu.au)

The University of Adelaide welcomes applications from students who have completed the Gaokao and will grant direct entry to Gaokao students providing they meet the following scores and any additional requirements or criteria that apply for each program. The applicant's Gaokao score will be converted into a 100% scale by dividing the total score of each province and city.

#### You must:

- Satisfy the University's minimum English Language proficiency requirement.  
[Refer to details here](#)
- Satisfy any prerequisite subject requirements for your chosen program
- Any other program requirements

**Please note:** Gaokao scores listed on the table are valid for entry in 2021/2022 intake. Applicants seeking entry to a quota-based program, e.g Bachelor of Medical studies/Doctor of Medicine, Bachelor of Occupational Therapy(Honours), Bachelor of Physiotherapy(Honours) and Bachelor of Speech Pathology(Honours) must meet other selection criteria for entry.

#### How to Calculate

The University of Adelaide converts the National College Entrance Examination (Gaokao) into a percentage score. For each program requirement, please refer to the Gaokao table below by using the following calculation method:

Your total score achieved in the Gaokao divided by the maximum score of each province or city published by the Department of Education in China for each Chinese province or city.

For example: If you have achieved 525 in the Gaokao from Tianjin, your percentage is 525 divided by the maximum score in Taijin 750, this gives a percentage score of 70% for Tianjin.

The 2021 Gaokao maximum scores for each Chinese province, are available at [gaokao.chsi.com.cn/z/gkbfmslq/pcx.jsp](http://gaokao.chsi.com.cn/z/gkbfmslq/pcx.jsp)

#### The University of Adelaide Global Citizens scholarship

This scholarship rewards international students commencing an undergraduate qualification who have achieved Gaokao direct entry requirements.

The scholarship offers a contribution of 15% of the tuition fee for the minimum standard duration of the chosen undergraduate degree.
