Attain the minimum entry score

To be admitted into any UQ undergraduate program you need a score comparable to the ATAR or Queensland Year 12 Rank (prior to 2020) specified for your program on the table below.

Attaining the minimum entry score for your program guarantees your entry to UQ, unless your program has a single asterisk next to its name.

If so, it is a quota program, and entry restrictions may apply. If you cannot find your qualification or a relevant minimum entry score, please contact UQ

International Admissions
(email applicationstatus@uq.edu.au).
