Admission scores

The admission criteria published in our tables are to be used as a guide and will not necessarily result in an offer of a place for all courses.

Admission is subject to meeting all essential admission criteria, including English language requirements and prerequisites where applicable. For some courses (marked with a triangle) there are additional admission criteria such as auditions and interviews.

ATAR-equivalent admission scores listed for other qualifications are also indicative and subject to changes in assessment schedules used to convert scores.

^ NESA prerequisites for teaching degrees:

- Bachelor of Education (Primary)
- Bachelor of Education (Health and Physical Education)
- Bachelor of Education (Secondary)
- Bachelor of Education and Bachelor of Advanced Studies (Secondary)
- Bachelor of Music (Music Education)

The New South Wales Education Standards Authority (NESA) requires students entering these teaching degrees to achieve the equivalent of a minimum of three Band 5s in their NSW HSC, one of which must be English (English Standard or English Advanced). For equivalent requirements for other Australian Year 12 qualifications, refer to the UAC website:

- uac.edu.au/future-applicants/admission-criteria/year-12-qualifications

For other non-Australian secondary education (high school) qualifications, the University will assess whether you have achieved an equivalent standard through your high school studies. If you need to meet English proficiency requirements through a test such as IELTS, you will complete those requirements separately.

** Science Po and University of Sydney dual degrees

- B Arts (Dual Degree, Sciences Po, France)
- B Economics (Dual Degree, Sciences Po, France)

Applicants will need to meet the minimum admission requirements for their degree of choice at the University of Sydney, including English language requirements. The higher of the English language requirements of the two partner institutions will apply.

The Sciences Po degree requires a total of four years of full-time study to be eligible for two separate awards from Sciences Po and the University of Sydney. During years 1-2, students will enrol at Sciences Po, France, and pay the applicable fee direct to Sciences Po. During years 3-4, students enrol in the applicable Sydney degree (international students enrol in the applicable CRICOS-registered Sydney degree), with eligible transfer credits for studies undertaken at Sciences Po.
