When do I need to apply?

Visit the UAC website at uac.edu.au for information on application dates.

What is the cost to apply via UAC?

There is a non-refundable processing charge payable by credit, debit card or via PayPal. This charge covers applications to multiple programs and universities.

How are my results released to UAC?

UAC requires you to provide your permission to allow your results to be released directly to UAC. Contact your school's IB/HSC coordinator before the UAC deadline to confirm that your school has submitted the permission on your behalf.
